**NOTE 1: INDICTABLE OFFENCE**

An indictable offence is a serious offence and does not include violations of provincial statutes such as traffic and liquor laws. Nor are some Criminal Code offences indictable; for example, causing a disturbance, failure to comply with a probation order and vagrancy are not indictable offences.

A person who has been convicted of an indictable offence is ineligible to serve as a juror, unless he or she has subsequently been granted a pardon.

**NOTE 1 : ACTE CRIMINEL**

Un acte criminel est une infraction criminelle grave, à l'exclusion des contraventions aux lois provinciales telles que les lois relatives à la circulation et aux alcools. Quelques infractions au Code criminel ne constituent pas des actes criminels; par exemple, le fait de troubler la paix publique, le défaut de se conformer à une ordonnance de probation et le vagabondage. Une personne est inhabile à remplir les fonctions de juré si elle a été reconnue coupable d'un acte criminel, sauf si un pardon lui a été accordé par la suite.

6. Armed forces personnel of the regular and special forces and members of the reserve forces on active service.

## The Insurance Act/Loi sur les assurances

### GUIDELINE FOR STATUTORY ACCIDENT BENEFITS APPLICATIONS, THE CLAIMS PROCESS AND THE MEDIATION PROCESS

This Guideline is issued pursuant to Section 268.3 of the *Insurance Act*.

The purpose of this Guideline is to help insurers and claimants understand their rights and responsibilities when dealing with statutory accident benefit claims. Above all else there is an obligation on both insurers and insured persons (referred to as "claimants" in this guideline) to act fairly with each other in making an application for benefits and in processing claims. The full and timely exchange of information by both insurers and claimants is critical.

However, insurers must limit their requests to information that is related to the claim. Likewise, claimants must give an insurer the information that the company needs to establish the nature, extent and continuing validity of a claim. Claimants must not withhold any information, delay, make more difficult or impossible the insurer's evaluation of the claim. Set out in the sections called "Principles For Statutory Accident Benefits Applications And The Claims Process" and "Principles For The Mediation Process" are the details of the rights and responsibilities of the parties. This Guideline applies equally to all insurers, claimants and their representatives and is to be considered in any decision involving the interpretation of the *Statutory Accident Benefits Schedule (SABS)*.

Claimants should realize that unreasonable actions will delay payments and can lead to denial of benefits without access to court or arbitration.

Insurers should realize that unreasonable actions are treated as unfair practices and may lead to penalties under Section 282(10) of the *Insurance Act*.

### PRINCIPLES FOR STATUTORY ACCIDENT BENEFITS APPLICATIONS AND THE CLAIMS PROCESS

#### Insurers' Responsibilities

- Inform claimants about the kind of accident benefits that are available under the *SABS*, let claimants know all the procedures to be followed and documentation needed when applying for benefits. When asked, insurers must give a copy of the *SABS* without charge to any person entitled to benefits.
- Give claimants the application for benefits package and other applicable forms, and help claimants complete all forms.
- Provide claimants with specific requests for additional relevant information.
- Make sure that all requests for information from claimants and third parties are relevant to the claimant's entitlement to benefits.
- Evaluate all applications for benefits fairly and quickly.
- Let claimants know about all decisions made concerning their claim within the times specified in the *SABS*, give the reasons for those decisions, and make sure that payments due to claimants are made within the times specified in the *SABS*.
- Pay for reasonable measures to reduce or eliminate the effects of any disability resulting from injuries sustained by a claimant in an accident and to help their reintegration into their family, the labour market and the rest of society.
- Cooperate with representatives retained or appointed by claimants to help claimants with their claims.
- Make sure notices to claimants are in writing and in plain language.
- Make sure requests for a claimant to undergo an assessment or examination are to obtain necessary information.

- Make sure assessors or evaluators who are asked by the insurer to examine a claimant accommodate the claimant when scheduling appointments to minimize inconvenience to the claimant.

#### Claimants' Responsibilities

- Complete all forms promptly.
- Give their insurer all reasonable relevant information asked for by the insurer to prove their entitlement to benefits.
- Give true and accurate information.
- Give third parties the right to release information about them needed by insurers to evaluate their claim for benefits.
- Take part in treatment and rehabilitation that will allow them to start or return to work, or shorten their period of disability.
- Cooperate with representatives retained or appointed to help insurers evaluate claims.
- Promptly let their insurer know about any change in their situation affecting their entitlement to benefits (under normal circumstances, this should be done within 14 days).
- Take part in assessments or examinations that their insurer is allowed to ask for under the *SABS* including those done by designated assessment centres (DACs).
- Give notice (under normal circumstances, notice should be given within 2 days) to their insurer and the assessor or examiner when they cannot attend a scheduled appointment and give reasons why they cannot attend.
- Give any person allowed to examine or assess the claimant under the *SABS*, the information that is reasonably necessary to do the examination and allow third parties to also give out such information.
- Agree to have reports produced by persons allowed to examine the claimant under the *SABS* given to their insurer.

#### PRINCIPLES FOR THE MEDIATION PROCESS

##### A) Responsibilities of claimants wanting to apply for mediation services

- completed an application for benefits and all forms in full; and
- take part in any assessment or examination required under the *SABS*, and give the information needed for an assessment under the *SABS*.

##### B) Responsibilities of insurers and claimants before using mediation services at the Ontario Insurance Commission

- clarify the facts;
- identify the issues in dispute according to both of them;
- discuss and arrange for the timely exchange of relevant documents; and
- make reasonable efforts towards reaching a settlement.

##### C) Other responsibilities of claimants

- personally take part in the mediation process.

#### DIRECTIVE S'APPLIQUANT AUX DEMANDES D'INDEMNITÉS D'ACCIDENT LÉGALES ET AUX PROCÉDURES DE DEMANDE D'INDEMNITÉS ET DE MÉDIATION

La présente directive est émise en vertu de l'article 268.3 de la *Loi sur les assurances*.

Cette directive vise à clarifier les droits et obligations des assureurs et des demandeurs en ce qui a trait aux indemnités d'accident légales. Fondamentalement, l'assureur et la personne assurée (désignée demandeur dans la présente directive) doivent agir en toute bonne foi dans leurs démarches respectives de demande et de traitement de la demande. Il est en outre essentiel que les deux parties fournissent tous les renseignements requis dans les délais voulus.

Les renseignements exigés par l'assureur doivent toutefois strictement se rapporter à la demande. Les demandeurs doivent, pour leur part, fournir à l'assureur tous les renseignements dont il a besoin pour déterminer la nature et l'importance de la demande ainsi que la période de validité de celle-ci. Les demandeurs ne doivent taire aucune information ni ralentir, compliquer ou empêcher l'évaluation de la demande d'indemnisation par l'assureur. Les sections intitulées « Principes régissant les demandes d'indemnités d'accident légales et procédure de demande d'indemnités » et « Principes régissant la procédure de médiation » définissent avec précision les droits et les obligations des deux parties. La présente directive s'applique à tous les assureurs et demandeurs ainsi qu'à leurs représentants respectifs et doit régir toute décision nécessitant une interprétation de l'*Annexe sur les indemnités d'accident légales*.

Les demandeurs doivent prendre acte du fait qu'un comportement déraisonnable de leur part peut retarder le versement des indemnités ou les priver de leurs droits à l'égard de celles-ci sans aucun recours en justice ou possibilité d'arbitrage.

L'assureur doit prendre acte du fait qu'un comportement déraisonnable de sa part est passible des sanctions prévues au paragraphe 282(10) de la *Loi sur les assurances* au titre des pratiques déloyales.

#### PRINCIPES RÉGISSANT LES DEMANDES D'INDEMNITÉS D'ACCIDENT LÉGALES ET PROCÉDURE DE DEMANDE D'INDEMNITÉS

##### Obligations de l'assureur

- Expliquer aux demandeurs les différentes indemnités d'accident auxquelles ils peuvent prétendre en vertu de l'*Annexe sur les indemnités d'accident légales* et les informer des procédures à suivre et des documents à remplir pour déposer une demande d'indemnisation. Sur simple demande, l'assureur doit fournir gratuitement aux demandeurs ayant droit à des indemnités un exemplaire de l'*Annexe sur les indemnités d'accident légales*.
- Fournir aux demandeurs l'ensemble des documents de demande d'indemnisation et toute autre formule requise et les aider à les remplir.
- Demander des renseignements complémentaires pertinents aux demandeurs.
- S'assurer que tous les renseignements requis des demandeurs et de tiers le sont dans le but de déterminer les indemnités auxquelles ils peuvent prétendre.
- Traiter toutes les demandes d'indemnisation de manière juste et rapide.
- Informer les demandeurs de toute décision prise à l'égard de leur demande d'indemnisation en leur fournissant des justifications et veiller à ce qu'ils perçoivent leurs indemnités dans les délais indiqués dans l'*Annexe sur les indemnités d'accident légales*.
- Défrayer les coûts raisonnables des mesures prises pour réduire ou éliminer les effets de toute invalidité due aux séquelles de l'accident subi par les demandeurs et les aider à se réinsérer dans leur milieu familial et social ainsi que sur le marché du travail.

- Coopérer avec les représentants désignés ou retenus par les demandeurs pour les aider à formuler leurs demandes.
- S'assurer que les demandeurs formulent leurs demandes par écrit et de manière intelligible.
- S'assurer que les évaluations et les examens auxquels les demandeurs doivent se soumettre visent à obtenir des renseignements nécessaires.
- S'assurer que les personnes chargées par l'assureur d'examiner les demandeurs ou d'évaluer leur cas les convoquent en tenant compte de leurs disponibilités, de manière à minimiser les inconvénients pour ceux-ci.

#### Obligations des demandeurs

- Remplir toutes les formules dans les meilleurs délais.
- Fournir à l'assureur tous les renseignements dont il a besoin pour vérifier qu'ils ont droit aux indemnités demandées.
- Fournir des renseignements exacts et véridiques.
- Si l'assureur a besoin de renseignements provenant de tiers, autoriser ceux-ci à les lui fournir.
- Accepter les traitements prescrits et participer aux thérapies de réadaptation destinés à leur permettre de retourner au travail, de postuler un emploi ou de réduire la période d'invalidité.
- Coopérer avec les représentants désignés ou retenus par l'assureur pour l'aider à évaluer la demande d'indemnisation.
- Aviser dans les meilleurs délais l'assureur de tout changement de situation susceptible de modifier les conditions d'indemnisation (délai de quatorze jours dans des circonstances normales).
- Se soumettre aux évaluations et aux examens exigés par l'assureur et justifiés aux termes de l'*Annexe sur les indemnités d'accident légales*, notamment ceux effectués dans des centres d'évaluation désignés.
- En cas d'empêchement, aviser l'assureur et les personnes chargées de l'examen ou de l'évaluation que le rendez-vous fixé ne pourra être respecté et en donner les raisons (délai de deux jours dans des circonstances normales).
- Fournir à toute personne habilitée à les examiner ou à évaluer leur cas en vertu de l'*Annexe sur les indemnités d'accident légales* les renseignements que cette personne est légitimement en droit de demander dans le cadre de sa consultation et autoriser, s'il y a lieu, des tiers à fournir des renseignements complémentaires.
- Autoriser les personnes habilitées à les examiner en vertu de l'*Annexe sur les indemnités d'accident légales* à rédiger un rapport à l'intention de l'assureur.

#### PRINCIPES RÉGISSANT LA PROCÉDURE DE MÉDIATION

- A) Obligations des demandeurs qui désirent recourir aux services de médiation :
- avoir dûment rempli leur demande d'indemnisation ainsi que toutes les autres formules requises;
  - s'être soumis à tout examen ou évaluation de leur cas et avoir fourni, dans ce contexte, tous les renseignements exigibles en vertu de l'*Annexe sur les indemnités d'accident légales*.
- B) Obligations des assureurs et des demandeurs qui désirent recourir aux services de médiation de la Commission des assurances de l'Ontario :

**ONTARIO REGULATION 283/95**made under the  
**INSURANCE ACT**

Made: April 12, 1995

Filed: May 10, 1995

**DISPUTES BETWEEN INSURERS**

1. All disputes as to which insurer is required to pay benefits under section 268 of the Act shall be settled in accordance with this Regulation.

2. The first insurer that receives a completed application for benefits is responsible for paying benefits to an insured person pending the resolution of any dispute as to which insurer is required to pay benefits under section 268 of the Act.

3. (1) No insurer may dispute its obligation to pay benefits under section 268 of the Act unless it gives written notice within 90 days of receipt of a completed application for benefits to every insurer who it claims is required to pay under that section.

(2) An insurer may give notice after the 90-day period if,

(a) 90 days was not a sufficient period of time to make a determination that another insurer or insurers is liable under section 268 of the Act; and

(b) the insurer made the reasonable investigations necessary to determine if another insurer was liable within the 90-day period.

(3) The issue of whether an insurer who has not given notice within 90 days has complied with subsection (2) shall be resolved in an arbitration under section 7.

4. An insurer that gives notice under section 3 shall also give notice to the insured person using a form approved by the Commissioner.

5. (1) An insured person who receives a notice under section 4 shall advise the insurer paying benefits in writing within 14 days whether he or she objects to the transfer of the claim to the insurers referred to in the notice.

(2) If the insured person does not advise the insurer within 14 days that he or she objects to the transfer of the claim, the insured person is not entitled to object to any subsequent agreement or decision to transfer the claim to the insurers referred to in the notice.

(3) An insured person who has given notice of an objection is entitled to participate as a party in any subsequent proceeding to settle the dispute and no agreement between insurers as to which insurer should pay the claim is binding unless the insured person consents to the agreement or 14 days have passed since the insured person was notified in writing of an agreement and the insured person has not initiated an arbitration under the *Arbitration Act, 1991*.

6. The insured person shall provide the insurers with all relevant information needed to determine who is required to pay benefits under section 268 of the Act.

7. (1) If the insurers cannot agree as to who is required to pay benefits or if the insured person disagrees with an agreement among insurers that an insurer other than the insurer selected by the insured person should pay the benefits, the dispute shall be resolved through an arbitration under the *Arbitration Act, 1991*.

(2) The insurer paying benefits under section 2, any other insurer against whom the obligation to pay benefits is claimed or the insured person who has given notice of an objection to a change in insurers under section 5 may initiate the arbitration but no arbitration may be

initiated after one year from the time the insurer paying benefits under section 2 first gives notice under section 3.

8. (1) Except as provided in this Regulation, the *Arbitration Act, 1991* applies to an arbitration under this Regulation.

(2) The decisions of an arbitrator made under this Regulation shall be public.

9. (1) Unless otherwise ordered by the arbitrator or agreed to by all the parties before the commencement of the arbitration, the costs of the arbitration for all parties, including the cost of the arbitrator, shall be paid by the unsuccessful parties to the arbitration.

(2) The costs referred to in subsection (1) shall be assessed in accordance with section 56 of the *Arbitration Act, 1991*.

10. (1) If an insurer who receives notice under section 3 disputes its obligation to pay benefits on the basis that other insurers, excluding the insurer giving notice, have equal or higher priority under section 268 of the Act, it shall give notice to the other insurers.

(2) This Regulation applies to the other insurers given notice in the same way that it applies to the original insurer given notice under section 3.

(3) The dispute among the insurers shall be resolved in one arbitration.

11. If the Motor Vehicle Accident Claims Fund receives an application for benefits, sections 4 and 5 do not apply and the insured person is not entitled to initiate or participate as a party in an arbitration under section 7.

The date of Order should read: April 10, 1995 instead of April 10, 1994.

Cf. Gazette de l'Ontario, Vol. 128-18, datée du 6 mai 1995.

"average overall commercial mill rate" means, in respect of an area municipality, the rate obtained by dividing the total taxes levied for all purposes, other than under sections 33 and 34 of the *Assessment Act*, on the commercial assessment of public school supporters in the preceding year by the total commercial assessment of public school supporters for the preceding year, multiplied by 1,000;

"equivalent assessment" means the sum of,

- (a) the valuations contained on the last returned assessment roll for which payments in lieu of taxes on real property and business assessment, including a payment in respect of regional levies, are payable, but reduced where payment is predicated on the current year's residential and farm mill rate, by multiplying that assessment by the appropriate upper tier discount factor for purposes of determining a discounted assessment for that area municipality,
- (b) the amount determined by dividing the 1995 entitlements under section 157 of the *Municipal Act* less any adjustments made in 1995 to correct prior year entitlements, by the average municipal commercial mill rate and multiplying the result by 1,000,
- (c) the amount determined by dividing the 1994 entitlements under the *International Bridges Municipal Payments Act, 1981* and any agreement providing payments in lieu of taxes for international bridges, by the average municipal commercial mill rate and multiplying the result by 1,000, and

"special levy" means an amount apportioned among and levied upon two or more area municipalities by a regional municipality for library, sewage, transit or day care purposes on the basis of equalized assessment where the amount is not included in the annual sum required for regional purposes;

"special regional area" means an area comprised of those area municipalities among which a special levy is to be apportioned in 1995.

(2) For the purposes of this Part, the discounted equalized assessment of a regional municipality is the total of the discounted equalized assessments of area municipalities within the regional municipality.

(3) With respect to each area municipality in the County of Oxford and in the regional municipalities of Durham, Halton, Hamilton-Wentworth, Niagara and York that receives payments in lieu of taxes from the Crown in right of Canada, the valuations contained on the last returned assessment roll for which such payments are payable by the Crown in right of Canada shall be used.

(4) If the Ministry of Finance receives notice on or before December 31, 1996 that the payments in lieu of taxes from the Crown in right of Canada have been reduced for 1995, the Ministry shall recalculate the valuations referred to in subsection (3) and shall notify the corresponding regional municipality or the County of Oxford, as the case may be.

(5) Subject to subsection (6), the apportionments for each area municipality under subsection (3) shall be deemed to be final.

(6) If valuations are recalculated under subsection (4) and if the council of the county or of a regional municipality, as the case may be, decides that the apportionments should also be recalculated, the council shall notify the Ministry of Finance and the apportionments for all area municipalities in the county or regional municipality shall be recalculated accordingly.

### 3. In 1995, the Ministry of Finance shall determine,

- (a) the discounted equalized assessment of each area municipality; and
- (b) the discounted equalized assessment of each regional municipality.

4. The Ministry of Finance shall, in respect of each regional municipality, determine the percentage share of apportionment, correct to three decimal places, for each area municipality within the regional municipality by dividing the discounted equalized assessment of each area municipality as determined under clause 3 (a) by the discounted equalized assessment of the regional municipality as determined under clause 3 (b) and multiplying the result by 100.

5. The discounted equalized assessment determined under clause 3 (a) and the respective percentage share of apportionment determined for each area municipality under section 4 shall be substituted for the weighted equalized assessment or equalized assessment in the notice of the weighted equalized assessment or equalized assessment of each area municipality that is sent by the Ministry of Finance to a regional municipality and to the area municipalities under an Act establishing a regional municipality.

6. For 1995, the apportionment of an annual sum required for regional purposes among the area municipalities within a regional municipality shall be made on the basis of the percentages determined for each area municipality under section 4.

7. (1) Sections 1, 2, 3, 4, 6 and 8 apply, with necessary modifications, to a special levy in 1995 and to a special regional area as if a special levy was the annual sum required for regional purposes of the regional municipality and the special regional area was the regional municipality.

(2) Despite any other provision of this Regulation, where the Act authorizing a special levy authorizes the special levy to be apportioned among area municipalities according to the assessment for a specified part of the area municipality and where a regional municipality proposes to use the assessment for only part of an area municipality in apportioning a special levy under that Act, the assessment for that part of the area municipality shall, for the purposes of subsection (1), be deemed to be the assessment for the whole area municipality.

8. If the equalization factor, the residential and farm assessment, the commercial assessment or the equivalent assessment, as determined under this Part, of one or more area municipalities is altered by the Ontario Municipal Board upon an appeal, the treasurer of the regional municipality shall determine what portion of the annual sum required for regional purposes would have been apportioned to each of the area municipalities within the regional municipality in 1995 under this Regulation.

9. This Part does not apply to The Regional Municipality of Peel, The Regional Municipality of Sudbury, The Municipality of Metropolitan Toronto, The Regional Municipality of Haldimand-Norfolk, The Regional Municipality of Ottawa-Carleton, The Regional Municipality of Waterloo or The District Municipality of Muskoka.

Unless an amending by-law is passed under subsection 366 (9) of the *Municipal Act*, a by-law passed by the council of a county under subsection 366 (6) of that Act shall apportion the annual sum required for county purposes on the basis of the percentage determined for each supporting municipality under section 13 and the amount that each supporting municipality is required to provide is the amount so determined.

16. If the council of the county finds a determination made under section 12, 13 or 14 to be incorrect, the council on or before December 31, 1995 shall amend the percentage shares of apportionment set out in the by-law passed under subsection 366 (6) of the *Municipal Act* and shall notify the Ministry of Municipal Affairs of the amendment.

- (b) an adjustment of percentage shares is made by the Ontario Municipal Board under subsection 366 (18) of that Act; or

- (c) the clerk of a county receives written notification from the clerk of a supporting municipality indicating a revision to the statement supplied in accordance with section 11.

19. Despite sections 10 to 18, for the purposes of calculating the discounted equalized assessment in 1995 for municipalities where a proclamation has been made for the return of a new assessment roll under section 63 of the *Assessment Act*, the equalized equivalent assessment shall be the amount set out in Column 2 of Schedule 3.

  - (ii) if a municipality is entitled to receive a payment from Ontario Hydro under subsection 52 (6) of the *Power Corporation Act*, substituting the amount determined by dividing the 1994 payment in lieu of taxes on real property and business assessment by the average overall commercial mill rate and multiplying the result by 1,000 for the valuations payable from Ontario Hydro,

  - (i) the 1994 entitlements under section 157 of the *Municipal Act*, and

22. In 1995, the Ministry of Finance shall determine in respect of each district board,

- (a) the discounted equalized assessment of each municipality within the district board area; and
- (b) the discounted equalized assessment of each district board.

23. The Ministry of Finance shall, in respect of every district board, determine the percentage share of apportionment, correct to three decimal places, for each municipality within the district board area by dividing the discounted equalized assessment of each municipality as determined under clause 22 (a) by the discounted equalized assessment of the district board as determined under clause 22 (b) and multiplying the result by 100.

24. The discounted equalized assessment determined under clause 22 (a) and the respective percentage share of apportionment determined for each municipality under section 23 shall be substituted for the weighted equalized assessment or equalized assessment in the notice of the weighted equalized assessment or equalized assessment of each municipality that is sent by the Ministry of Finance to a district board under the Act establishing the district board.

25. (1) For 1995, the apportionment of the total sum required for district board purposes among the municipalities within a district board area shall be made on the basis of the percentages determined for each municipality under section 23.

(2) The Ministry of Finance shall submit to each district board a statement showing the information mentioned in clauses 22 (a) and (b) and the calculations which produced that information.

(3) Upon receipt of the statement referred to in subsection (2), the district board shall promptly forward a copy of the statement to the clerk of each municipality within the district board area.

26. Each district board shall forward to the Ministry of Municipal Affairs a statement showing the total amount apportioned for 1995, as modified by subsection 25 (1), among the municipalities within the district board area under the Act establishing the district board.

27. (1) If the equalization factor, the residential and farm assessment, the commercial assessment or the equivalent assessment, as determined under this Part, of one or more municipalities within a district board area is altered by the Ontario Municipal Board upon an appeal under the Act establishing the district board, notice of the alteration shall be given promptly by the clerk of the municipality to the Ministry of Finance.

(2) Upon being satisfied that all appeals have been determined and that all notices required under subsection (1) have been received, the Ministry of Finance shall, using the altered equalization factor, residential and farm assessment, commercial assessment or equivalent assessment, as the case may be,

- (a) make the determinations required under sections 21, 22 and 23; and
- (b) revise the notice and information to be supplied under sections 24 and 25.

(3) Where only part of a municipality against which an apportionment is made by a conservation authority in 1995 is located within the conservation authority area, the discounted equalized assessment for that part of the municipality shall be deemed to be the discounted equalized assessment for the whole municipality for the purposes of this Part.

(4) For the purposes of this Part, the discounted equalized assessment of a regional municipality is the sum of the discounted equalized assessments of the municipalities within the regional municipality.

30. In 1995, the Ministry of Natural Resources shall determine in respect of each conservation authority,

(2) Upon being satisfied that all appeals have been determined and that all notices under subsection (1) have been received, the Ministry of Natural Resources shall, using the altered equalization factor, the residential and farm assessment or the commercial assessment, as the case may be,

- (a) make the determinations required under sections 30 and 31; and
- (b) revise the notice and information to be supplied under sections 32 and 33.

(3) When a conservation authority receives a notice revised by the Ministry of Natural Resources under clause (2) (b), the conservation authority shall amend the apportionment of the total sum required for conservation authority purposes among the municipalities within the conservation authority area on the basis of the adjusted discounted equalized assessments.

**PART V  
GENERAL**

36. (1) Where any Act requires the Ministry of Finance or the Ministry of Municipal Affairs to equalize assessment rolls or parts of an assessment roll that relate to two or more defined areas within a supporting municipality, the Ministry of Municipal Affairs shall, in equalizing each assessment roll or each part of it for purposes of municipal taxation in 1995, use the same equalization factor as was used to equalize the assessment roll or part of it for purposes of municipal taxation in 1994.

(2) Subsection (1) does not apply to a supporting municipality where there has been a different assessment generally of real property within that supporting municipality under section 58 of the *Assessment Act*.

37. If the Ministry of Municipal Affairs, Ministry of Finance or Ministry of Natural Resources, as the case may be, determines in respect of an apportionment and levy of a regional municipality, county, district board or conservation authority that any calculation made under this Regulation was made incorrectly or was based on incorrect information, the Ministry of Municipal Affairs may correct that apportionment and the levy shall be adjusted in accordance with the corrected calculations and any overpayment or underpayment by a supporting municipality shall be corrected in the same manner as it is corrected following an appeal of a county apportionment by-law or of a discounted equalized assessment being used for apportionment purposes, as applicable.

38. This Regulation applies to apportionments and levies made on or after January 1, 1995.

**39. Ontario Regulations 376/94 and 728/94 are revoked.**

## SPECIAL AUTHORITY

These applications are normally applied for and issued or denied by fax, although they may be requested and the decision may be issued in any written form. Such applications are considered in Chambers without public notice. Copies of decisions are available at the Board's office at 151 Bloor Street West, 10th Floor, Toronto, Ontario, M5S 2T5

These authorities usually involve specific moves and are issued for a maximum period of seven (7) consecutive days but may be renewed to allow additional time for the filing and disposition of an application for temporary authority.

To be eligible for a special authority the legislation requires that the applicant be the holder of a current operating licence.

## TEMPORARY AUTHORITY

Applications for temporary authority are normally considered in Chambers. They are made on the standard application form and must be identified as a temporary application. A copy is posted for **nine (9)** days on the Board's bulletin board and a copy is faxed to the Ontario Motor Coach Association.

Temporary applications will be posted once a week - every **Wednesday**. Details of these applications will be made available by the Board to any interested parties.

Such applications must be accompanied by the usual filing fee and by affidavits as follows:

### 1. Customer affidavit(s) should outline:

- (a) the reason for the urgency;
- (b) the service they require the applicant to perform;
- (c) the steps taken by the customer to ascertain what authorized carriers, if any, are available to perform the service;
- (d) the rate to be paid.

### 2. The affidavit of the applicant should include the following:

- (a) is there any currently licensed carrier available and capable of providing the service you are applying for?
- (b) has this carrier, if any, been requested to provide the service covered in your application?
- (c) if not requested, why?
- (d) if requested, on what basis?

The Board may:

- (a) deny the application;
- (b) issue a certificate; or
- (c) request further information.

Opposition should be filed with respect to such an application within **nine (9)** days of its posting and should indicate that an offer to provide

## ONTARIO HIGHWAY TRANSPORT BOARD

P.S. 010/95-07-04

### POLICY STATEMENT

**SUBJECT:** Procedures for Issuing Non-Permanent Authorities pursuant to the *Public Vehicles Act* and the *Motor Vehicle Transport Act, 1987*.

**OBJECTIVE:** To provide an efficient, equitable and flexible system for considering applications for special and temporary authorities.

**COMMENT:** The Board issues three (3) types of non-permanent operating authority as follows:

1. **Special Authority** is granted for a maximum period of seven (7) consecutive days. It is normally applied for by fax but the Board may act upon any written request. The Minister has delegated to certain member of the Board his power to issue such an authority under Section 5(6) of the *Public Vehicles Act*.
2. **Temporary Authority - Specified Term** is applied for on the standard application form. It expires at the end of a specified term or upon a specified day. It contains language providing for its earlier cancellation upon determination by the Board that an existing licensed carrier is in a position to provide the service or that the service is no longer required.
3. **Temporary Authority - Pending Permanent Decision** is also applied for on the standard application form filed concurrently with an application for permanent authority. This authority terminates when a decision is rendered on the application for permanent authority. It may also be cancelled upon determination by the Board that an existing licensed carrier is in a position to provide the service or that the service is no longer required.

**POLICY:** The Board will issue a non-permanent operating authority if it is satisfied that it is satisfied that it has received a request to meet an urgent need to provide a service that no currently licensed carrier is able to provide. When an application for public vehicle (school bus) authority is considered, the Board accepts the existence of a contract with a school authority as *prima facie* evidence of public necessity and convenience.

the required service has been made to the customer. The opposition and notice may be in the form of a fax or written advice to the Board and a copy must be sent in a similar manner to the applicant.

If no opposition is filed within the **nine (9)** day period the Board may proceed to issue or deny the application in chambers.

Opposition to an application filed with the Board, after a certificate has been granted, may be heard by the Board as soon as reasonably possible at a time and place to be set by the Board. Notice of the hearing will be given to the applicant and the respondents by fax and posted on the Board's Bulletin Board. The Ontario Motor Coach Association will also be notified of the hearing.

COMMISSION DES TRANSPORTS  
ROUTIERS DE L'ONTARIO

E.P. 010/95-07-04

## ÉNONCÉ DE POLITIQUE

**OBJET:** Procédure d'émission de permis non-permanents en vertu de la *Loi sur les véhicules de transport en commun* et la *Loi sur les transport routiers*.

**OBJECTIF:** Établir un processus de décision efficace, équitable et flexible relativement aux demandes de permis temporaire et spécial.

**COMMENT:** La Commission peut émettre trois types de permis non-permanent:

1. Un **permis spécial** peut être accordé pour une période maximale de sept (7) jours consécutifs. La demande est généralement présentée par télécopieur mais la Commission peut agir sur requête écrite. Le Ministre a délégué à certains commissaires le pouvoir d'émettre ces permis en vertu de l'article 5(6) de la *loi sur les véhicules de transport en commun*.
2. Une demande de **permis temporaire pour une période spécifique** est présenté par le dépôt du formulaire ordinaire. Il expire par l'écoulement du délai spécifié ou au jour spécifié. Il contient une clause indiquant qu'il peut être annulé si la Commission

détermine qu'un détenteur de permis peut maintenant offrir le service ou bien que le permis n'est plus requis.

3. Une demande de **permis temporaire en attendant le traitement final du permis permanent** est aussi présentée par le dépôt du formulaire ordinaire en même que la demande de permis permanent. Ce permis vient à échéance une fois que la décision a été rendue sur la demande de permis permanent. Il peut aussi être annulé si la Commission détermine qu'un détenteur de permis peut maintenant offrir le service ou bien que le permis n'est plus requis.

#### POLITIQUE:

La Commission émettra un permis non-permanent que si elle est satisfaite que la demande rencontre un urgent besoin d'un service qu'aucun autre détenteur de permis peut offrir.

Lorsqu'il s'agit d'une demande de permis de transport scolaire, la Commission acceptera comme preuve *prima facie* de commodité publique l'existence d'un contrat avec une commission scolaire.

#### PERMIS SPÉCIAL

Ces demandes de permis sont habituellement déposées, accordées ou rejetées par télécopieur, bien qu'elles peuvent aussi être présentées sous toute autre forme écrite. Ces demandes sont étudiées en Chambre sans avis public. Copies des décisions sont disponibles aux bureaux de la Commission au 151, rue Bloor ouest, 10<sup>me</sup> étage, Toronto, Ontario, M5S 2T5

Ces permis sont habituellement émis pour des voyages spécifiques et pour une période maximale de (7) jours consécutifs. Ils peuvent toutefois être renouvelés pour une période additionnelle afin de permettre le dépôt et la disposition d'une demande de permis temporaire.

Pour être éligible à un permis spécial, la législation requiert que le demandeur soit le détenteur d'un permis.

#### PERMIS TEMPORAIRE

Les demandes de permis temporaires sont généralement considérées en Chambre. Les demandes sont présentées sur le formulaire ordinaire clairement identifié "demande de permis temporaire". Une copie est publiée pendant **neuf (9)** jours sur le tableau des avis de la Commission et une copie est envoyée par télécopieur à l'Association des Transporteurs par autobus de l'Ontario.

Une copie des demandes de permis temporaires sont publiée une fois par semaine, chaque mercredi. Pour obtenir de plus amples renseignements, tous personnes intéressé peut communiquer avec la Commission.

Ces demandes doivent être accompagnées des frais habituels d'ouverture de dossiers et d'affidavits contenant l'information suivante:

1. L'affidavit du client devrait indiquer:
  - (a) la raison pour laquelle la situation est urgente;
  - (b) le type de service demandé;

(c) les démarches entreprises par le client afin d'obtenir le service de la part d'un détenteur de permis;

(d) le taux à payer.

2. L'affidavit du demandeur devrait indiquer:

(a) s'il y a d'autres détenteurs de permis disponibles et capables d'offrir le service demandé?

(b) s'ils ont été approché afin de donner le service demandé?

(c) si non, indiquer pourquoi?

(d) si oui, quels en étaient les termes?

La Commission peut:

(a) rejeter la demande;

(b) émettre une certificat; ou

(c) demander des informations supplémentaires.

Une opposition à une telle demande doit être déposée dans les **neuf (9)** jours de la date de publication et indiquer qu'une offre de service a été faite au client. L'opposition et l'avis peuvent être envoyés par télécopieur ou par écrit à l'intentions de la Commission; une copie doit aussi être envoyée au demandeur.

Si aucune opposition n'est déposée dans les **neuf (9)** jours de la date de publication, la Commission peut décider, en Chambre, d'accorder ou de rejeter la demande.

Le dépôt d'une opposition après l'émission d'un certificat après l'émission d'un certificat, peut être entendu par la Commission aussitôt que possible au temps et au lieux déterminés par la Commission. Avis de l'audience est donné par télécopieur au demandeur et aux opposants et publié sur le Tableau des avis de la Commission. L'Association des Transporteurs par autobus de l'Ontario est aussi avisée de la date de l'audience.
